The image shows a modern exhibition booth for 'Quitério'. A large, polished silver cylindrical pillar stands in the foreground. Behind it, a wall features a large white panel with the 'Quitério' logo, which consists of a red stylized 'Q' followed by the word 'Quitério' in black. Below the white panel, the wall is decorated with large, abstract geometric shapes in shades of red, orange, and brown. To the right, a black table holds a computer monitor, a white printer, and other electronic equipment. A computer tower on wheels is positioned under the table. The floor is made of light-colored square tiles, and the ceiling has a grid of recessed lights.

Quitério
